- Each incentive is 50% of equipment cost, up to the maximum of the incentive value, and a total combined incentive of **\$10,000**

City of Toronto

# City of Toronto Water Efficiency for Business

## Save Water. Save Money. It's Good Business.

The City of Toronto has a number of programs to help **commercial**, **industrial** and **institutional** customers save water and save money.

### CAPACITY BUY BACK PROGRAM

Average project could net you approximately

**\$7,440**

### INDUSTRIAL WATER RATE (AKA BLOCK 2)

Manufacturing businesses consuming more than 5,000m<sup>3</sup> of water a year may be eligible for a 30% reduction in the water rate.

Eligibility includes implementing a water conservation plan.

### SEWER SURCHARGE REBATE

Industrial and commercial businesses that keep water out of the sewer system\* may be eligible for a rebate based on the percentage of water not returned to the sewer system.

\*e.g. water evaporated from cooling towers or used to make a product.

Average program participant receives

**\$48,607**
