

GETTING KEY INFORMATION FROM YOUR ERP IS....

Time consuming
Finding the right information often takes longer than it should

Complex to Navigate
Sifting through various systems, modules and reports makes it difficult to extract the necessary insights

Requires Expertise
Answering key business questions often needs specialized knowledge of the ERP system

BUT IT DOESN'T HAVE TO BE

WITH EAS-ERP UNLOCK THE DATA FROM YOUR ERP IN SECONDS, SIMPLY:

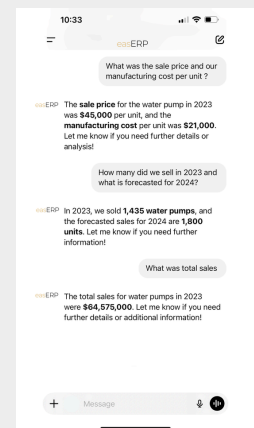

1

Ask

Phrase your question like you're asking a team member

2

Process

The tool analyzes your ERP systems for the relevant data and provides a straight forward answer
