

Circular Procurement 101 Resources

Case Studies and Reports

[Circular Procurement Initiatives of PPG Members](#)

Two case studies from the Circular Procurement Learning Journey Workshops led by Circular Innovation Council (CIC) and PPG's Circular Economy Leaders Consortium showcasing how circular procurement practices are being put into action by member organizations TELUS and City of Mississauga.

Training

[Circular Procurement Training for Plastic Reduction](#)

The Circular Innovation Council partnered with the European Union's (EU) project on Reducing Plastic Waste in Canada, and together with Global Sustainable Resources, Ltd. collaborated on the development of a Circular Procurement training course. The goal of the training course is to inform and inspire change toward greening procurement for buyers in Canada.
